

Marc Philipps is a trained actor, comedian, singer, dancer and performer; a man with many faces. Without so much as a bat of the eye, this jack of all trades can meet even the most daunting challenge.

As an actor Philipps is best known for his performances as **The brain** in the award winning IT-Series *Neulich in der IT*, movies like „Me and Kaminski“ and „Fucking Berlin“.

A young and very skilled acting newcomer of romanian/german descent with a promising career ahead.
